25X1 3. [] Mrs. Hopkins in the office of
25X1 Senator Thomas H. Kuchel (R., Calif.) called to ask if we could check
to see whether CIA had any records which would confirm the fact that
[] had been licensed to practice medicine in
25X1 Prague, Czechoslovakia. [] apparently rendered services to
25X1 U. S. Intelligence during World War II. I told Mrs. Hopkins I doubted
we would have any information on this but would check and let her know.
[] is looking into this.

25X1 4. [] George Murphy on the staff of the Joint
25X1 Committee on Atomic Energy called and said he was interested in knowing
whether there had been any disclosure of Atomic Energy information by
25X1 [] who has just been convicted on espionage charges []
25X1 I have asked [] to look into this.

25X1 5. [] I called Don Henderson of the Senate
Foreign Relations Committee staff concerning his previous request on
behalf of Senator Fulbright for a copy of the classified part of the Hoover
Commission Report on CIA. I advised Henderson that this was a sensitive
Report which was prepared by the Commission for the White House and
that we did not feel we could release it without White House approval. I
advised Henderson further that we had contacted the White House on this
and had been advised that the Report should not be released by the Agency.

Later in the day Henderson called and said he had discussed this
matter with Carl Marcy, Staff Director of Senate Foreign Relations, who
said he felt it would be helpful both to the Agency and Senator Fulbright
to know who in the Agency contacted the White House and who the White
House representative was. Marcy feels that Senator Fulbright might raise
this question with the President and it would be helpful to all parties
concerned if the persons who made this contact were known. I told
Henderson I would check on this and be in touch with him.

25X1 6. [] Jay Sourwine called to say that the Senate
Internal Security Subcommittee is planning to call []
25X1 [] to testify on the Cuban situation. Sourwine says
25X1 [] fought in Cuba and Senator Olin D. Johnston (D., S. C.) has
suggested that he be called as a witness. Sourwine really wanted to
know if his appearance before the Subcommittee would create any
problems for us.

After checking with [] of WH, I advised Sourwine that on
the basis of a quick check we could see no problems from our standpoint
